

## Eclipse Embedded Day in Stuttgart Sponsorship Package

MicroDoc is organizing an Eclipse Embedded Day in Stuttgart on June 25, 2009. The Eclipse Embedded Day is a 1-day event that features technical sessions about Eclipse projects and case studies on how Eclipse is used by major institutions in the automotive, telematics, medical and consumer electronic area. Eclipse Foundation member companies are being invited to participate as sponsors in this event.

The Eclipse Embedded Day is expected to attract 50-100 senior technical professionals working in these industries. The majority of the attendees are expected to be significant users of Eclipse technology and Eclipse-based products. Registration will be limited to individuals that work in this area.

Companies that sponsor the Eclipse Embedded Day will receive the following:

- Company logo displayed on the event web site.
- Ability to distribute product information at the event.
- Invitations for two company representatives to attend the event.

### PRICING

- EUR 1.000,00 + VAT per company

The sponsor fee will solely be used for event marketing and organizing the catering.
