

Eclipse Summit Europe 2009

October 27-29, 2009
Ludwigsburg, Germany

Eclipse Summit Europe is the 4th annual European community conference hosted by the Eclipse Foundation.

- 80 conference sessions over 2 days
- An additional day of tutorials & symposia
- Keynotes from Don Syme, Senior Researcher at Microsoft & Professor Tony Bailetti, Carleton University in Ottawa
- Networking opportunities
- Sponsor exhibits & demos
- Collaboration with Eclipse experts

Eclipse Summit Europe is a vibrant event for Eclipse developers, contributors, users and service providers to share expertise and discover new opportunities and solutions in the Eclipse ecosystem.
