

Eclipse at JavaOne

Co-operative Sponsorship Package PASSPORT GAME

The Eclipse Foundation is organizing an exhibit hall passport game for Eclipse member companies at this year's JavaOne conference. The goal is to raise the profile of Eclipse and Eclipse member companies among Java developers that are considering Eclipse and Eclipse-based products.

ABOUT THE EXHIBIT HALL PASSPORT

The purpose of this initiative is to highlight to Java developers the Eclipse-based products that are being demonstrated by member companies at JavaOne. Passport brochures will be distributed from the Eclipse Foundation booth that will include profiles of participating member companies. An attendee will be asked to visit a company's demo station to receive a stamp. When the attendee has received the required number of stamps, they can return to the Eclipse Foundation booth to receive a gift (such as a hat or t-shirt).

MARKETING AND LEAD GENERATION OPPORTUNITIES

The Eclipse passport game is an excellent method to drive prospects to member companies' booths. The giveaways provided by Eclipse give an incentive to attendees to interact with Eclipse members and learn more about their products. After the conference is complete, participating companies will be provided with the prospect list collected at the Eclipse Foundation booth for use in their future marketing campaigns.

WHAT SPONSORSHIP INCLUDES

Companies that participate in the Eclipse JavaOne passport will receive the following:

- Company logo and exhibit booth number displayed in the passport brochure
- Product profile listed in the passport brochure
- A copy of the leads generated at the Eclipse Foundation booth

PRICING

\$1,250 per company

Eclipse at JavaOne
