A snapshot of your website in August.

Take a few minutes to review last month's website performance for

http://www.eclipse.org/eclipselink. We hope that these key metrics and our monthly tip

will help you identify new opportunities for your business.

VISITS	BOUNCE RATE
29,676	**61%**
The total number of visits to your site this month	Your bounce rate shows how many people leave your site without visiting any other pages on your site

| TIME ON SITE	AVERAGE PAGES
02:35	**2**
The average amount of time someone spends on your site in a single session	The average number of pages viewed in a single session

Did you know your bounce rate is 61% this month?

Have a clear purpose or call to action on your landing page — one of the biggest

causes of a high bounce rate is visitor confusion.
