

Eclipse Gyrex – Equinox on Servers

Gunnar Wagenknecht

Chief Software Architect, AGETO Service GmbH

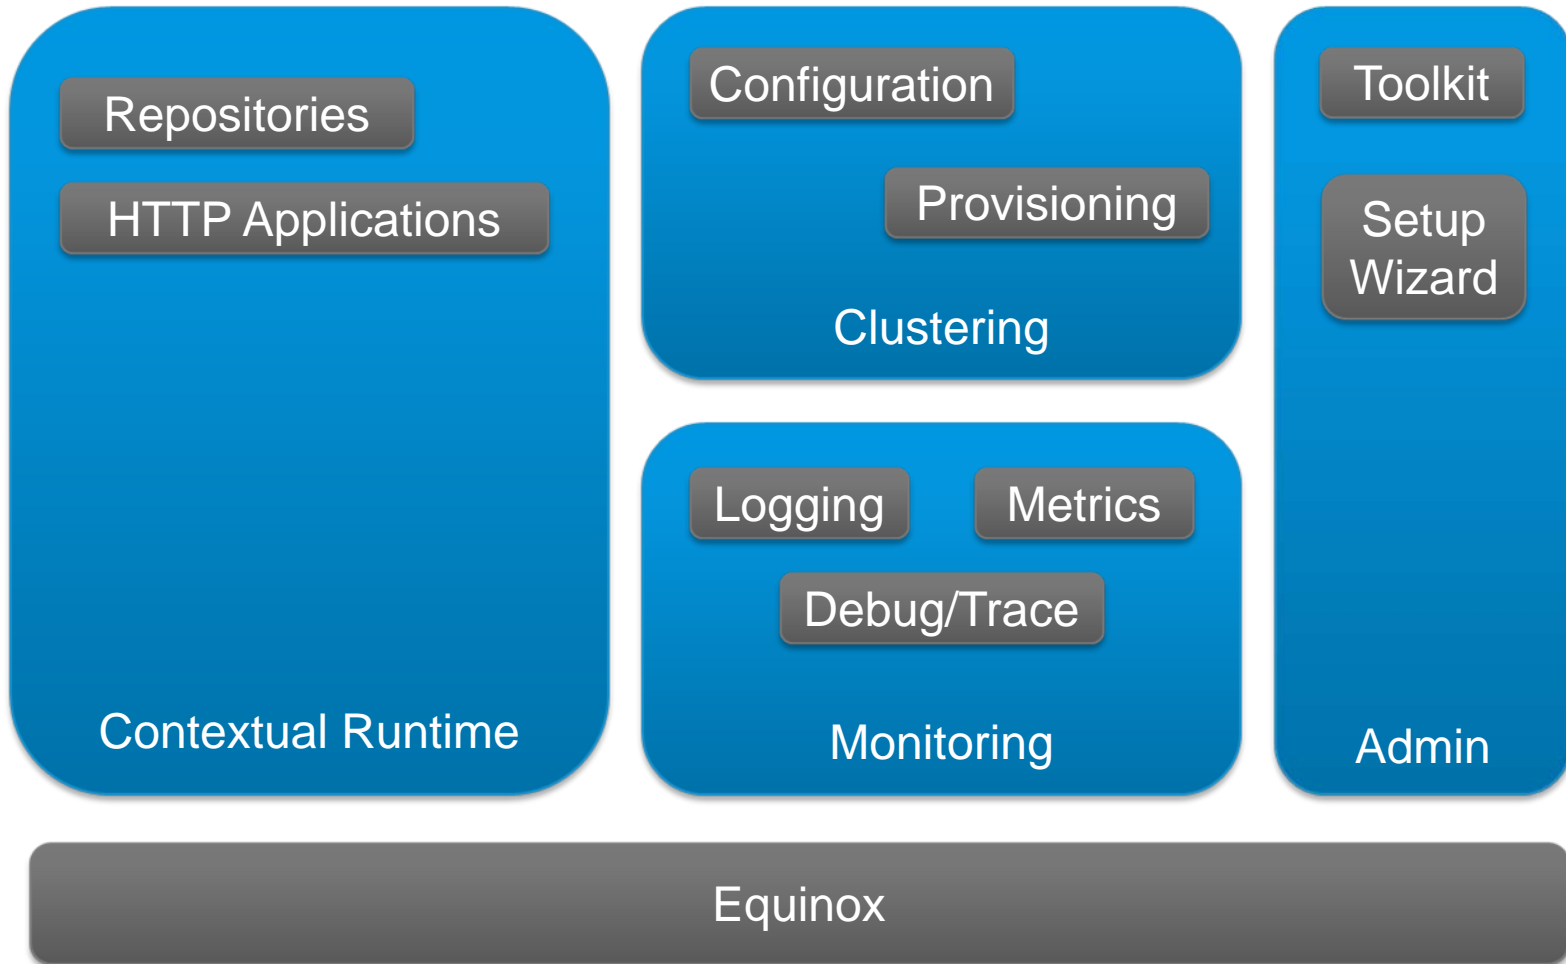

Website: <http://www.eclipse.org/gyrex/>

Newsgroup: <news://news.eclipse.org/eclipse.gyrex>

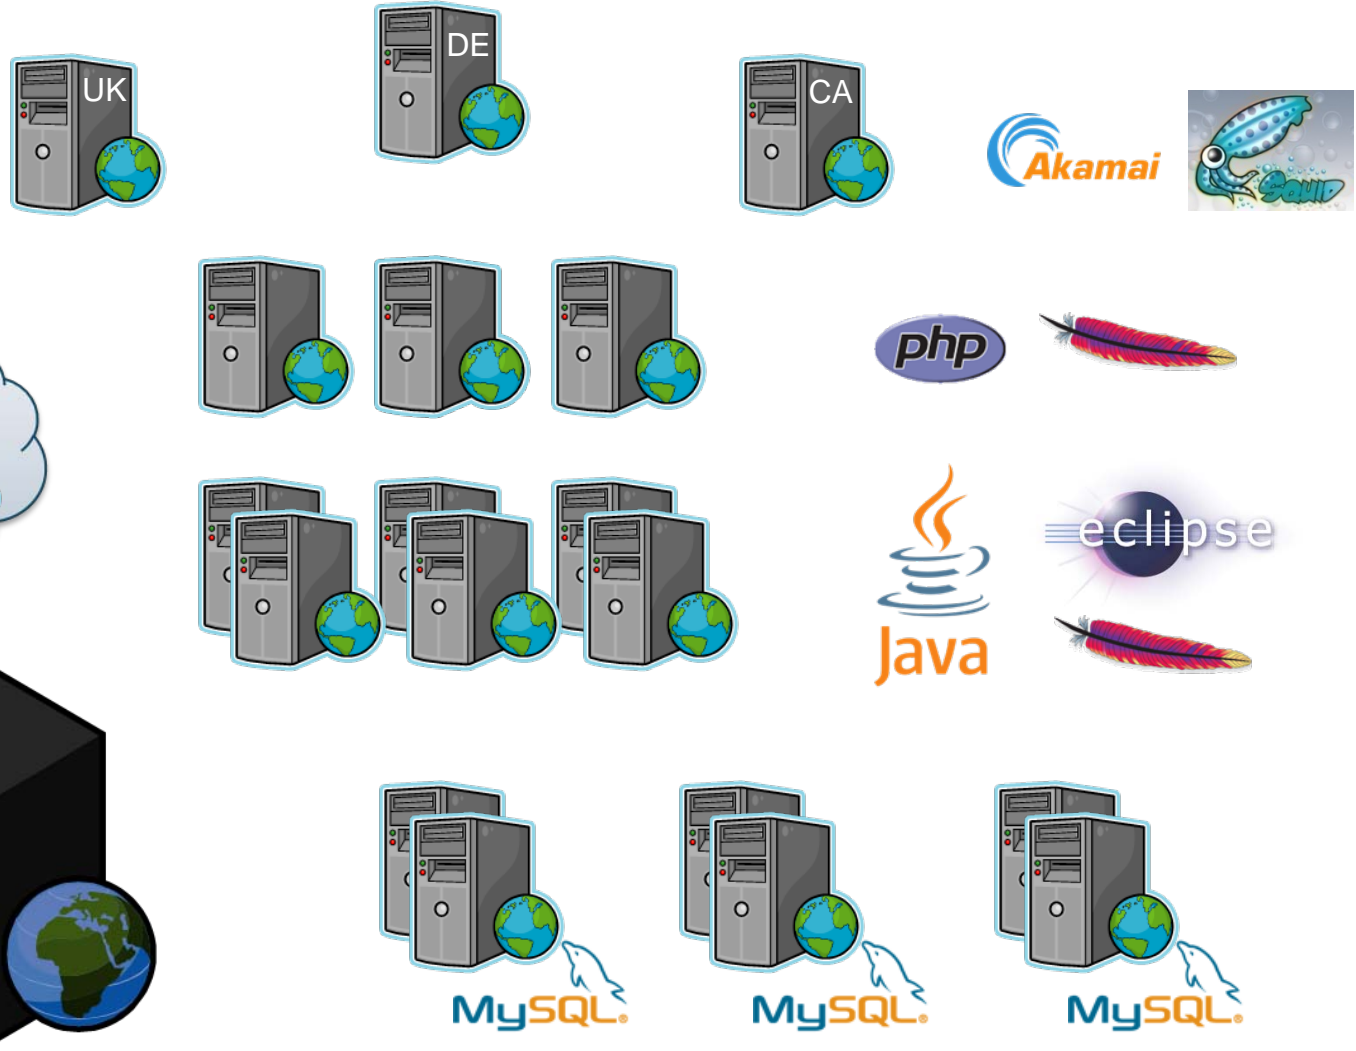

The Gyrex Vision

- **Flexibility**
 - Extensible frameworks
 - Never compete but integrate
- **Scalability**
 - Powerful and robust platform
 - Scale up and down without hassle
(from standalone to multi-cluster)
- **Simplicity**
 - Operational convenience
 - Easy, rich and *stable* APIs

Gyrex Components

Scalability
